

Dr. TATHOD SHUBHAM RAJU

M.V.Sc. (Animal Nutrition)

Reg. No. MSVC - 11119

At post- Murtizapur, Tq. Murtizapur, Dist. Akola, Maharashtra

Mobile no. – 7057652049

Email – shubhamtathod45730@gmail.com

Career statement

Dedicated academic in animal nutrition committed to excellence in teaching, research, and student mentorship. Skilled in feed formulation, nutrient evaluation, and sustainable livestock production. Passionate about advancing knowledge through impactful research while fostering critical thinking and professional growth among students.

Professional details

- Nationality : Indian
- Date of Birth : 8th November, 1998
- Sex : Male
- Blood Group : A positive
- Marital status : Unmarried
- Address : Sudarshan colony, Karanja road, Murtizapur, Dist. – Akola, Maharashtra – 444107

Educational profile

Qualification	Year of Passing	Boad/Institute/ University	Percentage/ CGPA
Master of Veterinary Science (M.V.Sc.) in Animal Nutrition	2025	Post Graduate Institute of Veterinary and Animal Sciences, Akola (MAFSU, Nagpur)	8.95
Bachelor of Veterinary Science and Animal Husbandry (B.V.Sc. & A.H.)	2022	Nagpur Veterinary College, Nagpur (MAFSU, Nagpur)	7.86
Higher Secondary School Certificate (H.S.C.)	2016	Shri Shivaji College of Arts, Commerce and Science, Akola	77.54
Secondary School Certificate (S.S.C.)	2014	Late Parmanand Malani English Convent, Murtizapur	93.60

Computer literacy

- Proficient in Microsoft Word, Excel and PowerPoint
- Adept in creating graphics, illustrations and typing skill

Professional skills

- Skilled in teaching Animal Nutrition and allied subjects.
- Expertise in feed formulation, ration balancing, and sustainable feeding practices.
- Proficient in laboratory techniques for nutrient analysis and feed evaluation.
- Extensive knowledge of various livestock feeding technologies, animal feed additives and livestock/poultry performance studies.
- Scientific research methodology, report compilation and drafting.

Research profile

- **M.V.Sc. Thesis : Gut Health and Performance of Broilers Supplemented with Sapota Seed Stimbiotic**

(This research work mainly focused on effect of Sapota seed Stimbiotic during various phases in broiler chicken which helped to improves their growth performance, gut health, increase nutrient metabolisability and reduces the cost of production.

Short chain fatty acids (SCFAs) analysis and **Metagenomic** studies were also conducted during the research trial.)

Professional activities

A. Seminars, Workshops and Trainings attended

1. One day Technical Seminar on “Honoring skills of young veterinarians for future challenges in Biomedical research and Pharmaceutical industry” organized by Student Counseling and Placement Cell, PGIVAS, Akola with aegis of Laboratory Animal Veterinarian’s Association, Hyderabad on 11th January, 2025.

2. Workshop on “Biotechnological Techniques in animal nutrition for enhancing livestock productivity” sponsored by National Science and Engineering Research Board (NSERB), Department of Science and Technology held at NDRI, Karnal during 16-25 February, 2024.

3. National Seminar-cum-Workshop on “Millets in Animal Nutrition : Potential and Future Scope” organized by Department of Animal Nutrition, PGIVAS, Akola in collaboration with Animal Nutrition Association (ANA), Izatnagar during 7-8 September, 2023.

B. Seminar delivered

- Masters Seminar :- Distillers Dried Grains with Solubles (DDGS) : Improving Animal Performance and Sustainability

C. Professional affiliations

- Maharashtra State Veterinary Council (MSVC)
- Veterinary Council of India
- Nagpur Veterinary College Alumini Association
- Post Graduate Institute of Veterinary and Animal Sciences, Akola Alumini Association – Life Member

Skills

- Good Communication skills
- Problem-solving ability
- Technical writing
- Adaptability
- Teamwork and collaboration
- Excellent presentation skills
- Excellent leadership skills
- Adept planning and management skills

Languages Known

- English
- Hindi
- Marathi
