Veterinary Council Registration: UPVC-2024-07960

Career Objective

I am a dedicated veterinarian and researcher, passionate about advancing knowledge in veterinary physiology and animal sciences. With a strong academic foundation, practical experience in animal health care, and involvement in research and extension activities, I aspire to contribute to academia by integrating innovative teaching with impactful research.

Educational Qualifications

M.V.Sc. (Animal Physiology)

National Dairy Research Institute, Karnal, Haryana

CGPA: 8.03 / 10

B.V.Sc. & A.H. (2018–2024)

College of Veterinary and Animal Sciences, Meerut, Uttar Pradesh

CGPA: 8.14 / 10

Intermediate (ISC) 2015

Lucknow Public School, Jankipuram, Lucknow – 88.75%

High School (ICSE) 2013

Lucknow Public School, Jankipuram, Lucknow – 85.4%

Research Interests

- Animal Physiology
- Endocrinology & Metabolism
- Stress Biology & Adaptation

Academic Contributions & Training

- Contributed to the 90-days training programme of MAITRI under Rashtriya Gokul Mission, Govt. of India (Certificate of Appreciation).

- Actively contributed to the organization of the Tenth Conference of IMSACON-X and International Symposium (Certificate of Appreciation).
- First Place Winner in a college-level quiz “Budding Veterinarian” conducted by Virbac.
- International e-training programme(2-11 september 2024) “The Physiology of Reproductive Success in Veterinary Field: Latest Insights and Innovations”.
- International e-training on “Bioinformatics Essentials” from 14-24 June 2024.
- International e-Refresher course on “Latest Innovative reproductive techniques in Veterinary science” from 21-30 April 2025.

Workshops & Conferences Attended

- Two-day National Workshop on “Cow Based Natural Farming”, CIRC, Meerut.
- 6th National Convention on “Natural Farming–Modern Technology; Coordination and Implementation”, NASC, ICAR, New Delhi.
- Participated in National congress on Veterinary Public Health and National symposium on “Translating One Health into action in combating emerging diseases, Drug Resistance and ensuring Food safety under changing climatic scenario”
- Participated in National Symposium, NGA-2025.
- Participated in XXXII Annual Conference of SAPI and International Symposium on Advances in Physiological Research in Omnic era for sustainable Animal Production and livelihood security under the changing climatic Scenario

Professional Skills

- Classroom teaching & interactive learning techniques.
- Animal handling, welfare & behavior management.
- Research methodology & scientific writing.
- Leadership, communication & time management.
- Tech-savvy (digital tools, reference managers, online teaching platforms).

Achievements

- Participation in National Level Championship (Kho-Kho).
- NCC ‘C’ Certificate, Rank: Cadet Under Officer.
- Active volunteer in National Service Scheme (NSS).
- Best Oral Presentation Awards.
- Best Poster presentation Awards.

Publications

- Abstract -6
- Articles – 3
- Research Paper- 1 (Manuscripts Under Review)
